INVITATION

It give us a great pleasure in informing you that Delhi Institute of Pharmaceutical Sciences & Research, is organizing the National conference on Pharmacovigilance, Pharmacoeconomics & Outcomes Research, incorporating 17th Annual Conference of the Society of Pharmacovigilance India & 7th International Conference Of Ispor India from 8th to 10th October, 2018 at Dr. G.K. Narayanan Auditorium, DIPSAR, New Delhi. The emphasis of the symposium will be on topics related to Pharmacovigilance and Pharmacoeconomics. More than 400 scientists/professionals from academia, industry and regulatory bodies from all over the country, as well as from abroad, will participate in the meeting and deliberate upon the most important issues like Signal Detection, Causality Assessment, Pharmacovigilance Program of India with reference to National Program, Herbovigilance, Value Based Pricing – New Trend in HTA, Real World Evidence & its Importance for Regulations, Statistical Considerations in Health Economics and Evaluations, and many more related topics.

For the first time, the international conference and pre-conference workshop of this magnitude is being organized. The theme of the three-day fiesta has been thought out and carefully chartered by the biggest players and contributors in the field of Pharmacovigilance and Pharmacoeconomics, namely- Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR), Society for Pharmacoeconomics and Outcomes Research-India chapter, Society for Pharmacovigilance India, Indian Pharmacopoeia Commission (IPC) that have been brought together under the umbrella of Delhi Pharmaceutical Sciences and Research University (DPSRU), for the benefit of students, industry academia and regulatory bodies.

DIPSAR has strong legacy of 54 years. It started as the college of pharmacy in 1964, upgraded to research institute in 2004, (Delhi Institute of Pharmaceutical Sciences & Research) and has got the status of the constituent college of the Delhi Pharmaceutical Sciences and Research University. The DIPSAR is renowned as center of excellence for research, and identified as one of the first QIP centers of All Indian council for Technical Education since 1998. In 2017-18, DIPSAR conducted four QIP programs and is now the nodal center for QIP for AICTE. The Delhi Pharmaceutical Sciences and Research University (DPSRU) is marching into its third year of existence and a vibrancy is being felt in the campus that witnessed several conferences including the International conference on herbal drugs, that was inaugurated by Hon. Chancellor & Lt. Governor Shri Anil Bajjal. It recently conducted 4 workshops, 3 seminars and 17 guest lectures that provided an environment of interactive learning to the students. The university also has an incubator center with e-cell. The Incubation center of DPSRU Innovation and Incubation Foundation was inaugurated by Dy CM Shri Manish Sisodia.

The Society for Pharmacoeconomics and Outcomes Research-India chapter has globally provided a platform and making efforts to bring together Indian researchers, healthcare practitioners, decision makers and members of pharmaceutical industry, healthcare organizations and academia. It is a resource at a local level for the individuals including students interested in Pharmacoeconomics and Outcomes research.

The Society for Pharmacovigilance India has a well-defined objective to foster science and learning in pharmacovigilance all over India. The nature of the global pharmacovigilance landscape and societal context has been rapidly changing in recent years, and is still changing. The SoPI believes in constantly evolving to reflect this wider scope as part of its own aims. The scope of pharmacovigilance expands to include any area that contributes better knowledge and understanding regarding the safe and effective use of medicines, at pre- and post-marketing stage.

The Indian Pharmacopoeia Commission (IPC), is an autonomous institution of Ministry of Health and Family Welfare, Government of India, that has been entrusted with the responsibility to coordinate with the different stakeholders at national and international level with the sole objective to improve the safety of Indian patients by monitoring, recording and analyzing the root cause of adverse events or risks associated with use of drugs. It is also entrusted with the job of making recommendations to the regulatory bodies for appropriate action with a sole intention of improving patient safety.

Looking forward for your active participation in making this conference a great success.

D. P. Pathak

Director,
DIPSAR

S.K. Gupta

President ISPOR,
India Chapter

K C Singhal

Founder President
SoPI

R K Goyal

Vice Chancellor
DPSR-University

S S Agrawal

National Prof.
DPSRU

G. N. Singh

Secy.-Cum- Sci. Director
IPC

Govind Mohan

President,
SoPI

Rajani Mathur

Organizing Secretary
DIPSAR

PRE-CONFERENCE WORKSHOP

8th October, 2018

Present Status and Future Challenges of Pharmacovigilance

Program of India

Ensuring Safety of Medicines & Medical Devices

To be conducted in partnership with

National Coordinating Centre for PvPI

WHO Collaborating Centre for Pharmacovigilance

SCIENTIFIC THEMES

- **Pharmacovigilance Program of India with reference to National Health Program**
- **Pharmacoeconomics and Outcomes Research**
- **Pharmacovigilance and Outcomes Research in Oncology**
- **Herbovigilance**
- **Hemovigilance**
- **Signal Detection**
- **Medication Errors**
- **Pharmacovigilance in Pharmacy Practice**
- **Pharmacogenomics and Pharmacovigilance**

CALL FOR POSTER & PODIUM PRESENTATIONS

By

YOUNG SCIENTISTS/ STUDENTS

Four “Excellent Health Economic Research” Awards of Rs. 5000 each For Best Poster & Podium Presentations

Deadline for abstract submission: 20th August, 2018

- Abstract should not exceed more than 250 words.
- Name of Presenting Author should be underlined.
- Abstract should include Introduction, Materials & Methods, Result and Summary.
- Upload your abstract on dipsarpvpi@gmail.com

REGISTRATION FORM

Name : _____

Gender: Male/Female Mobile No: _____

Email (Mandatory): _____

Highest Qualification: _____

Organization: _____

Address for correspondence: _____

REGISTRATION FEE DETAILS

Delegate Fee For Conference	Before 20th August, 2018	After 20th August, 2018
Industry	Rs. 2500	Rs. 3000
Academics	Rs. 1500	Rs. 2000
Students*	Rs. 1000	Rs. 1500
International Delegates	USD 50	USD 70
Delegate Fee For Pre-conference Workshop**	Before 20th August, 2018	After 20th August, 2018
Industry	Rs. 1000	Rs. 1500
Academics	Rs. 800	Rs. 1000
Students*	Rs. 500	Rs. 700
International Delegates	USD40	USD50

*Student delegates should attach a letter from their institute stating their status or copy of student identity card. **Limited seats on first – cum – first serve basis.

Mode of Payment: The registration fees shall be paid through Bank Draft/Online payment in favor of “**Director DIPSAR Conf 2018**” payable at New Delhi.
